INTRIGUE - Peak your curiosity

A greater move-up home, the Intrigue is sure to please. It's unique layout allows for ample yard space, but still provides enough space inside to accommodate all your needs. This triple garage property has an enclosed flex room, family room, dining area and good sized kitchen on the main. Upstairs, there are three large bedrooms, a full bath, laundry room and open to below area by the entrance. The Master Suite is functional and well detailed with tray ceilings and a large window. The ensuite has a large soaker tub, separate shower and his and her sinks. A great option for a growing family, this home has it all.
